

SUPPORTIVE THOUGHTS TO OUR ADMINISTRATIVE RESIDENTS and OUR THIRD YEAR EXECUTIVE STUDENTS

The fulltime MHA Class of 2020 has worked diligently since August 2018 in their quest for administrative residencies and the students have all been successful. As you know, Xavier remains one of only seven elite MHA programs nationally that still requires the 8-12 month administrative residency and it is actually one of the major reasons that potential students select Xavier. I can't praise our faculty enough for how highly-regarded and well-prepared our students are. Xavier's MHA degree is truly an effective scholar/practitioner program. The class members listed below will be in residencies through mid-2020.

The fulltime MHA Class of 2020 has 17 students. Our preceptors are key to the excellence of our residencies and each preceptor receives an affiliate faculty appointment at Xavier. We especially thank these Alumni who are serving as preceptors for the coming year: **Jason Asic '10M**, **Calvin Wright '08M**, **Mark Murdock '93M**, **Tom Daskalakis '91M**, and **John Fogarty '85M**. Please join in congratulations:
