## Professional Mission Statement

### BE ME

**"You are unique. To become you-yourself-your true self; that is your fundamental vocation. To allow to shine forth into the world that unique image of God that you are, that beauty hidden deep within your soul, that truth that you alone can speak, that love that only your heart is capable of giving... That, for you, is holiness."**

**-Unknown**

**"It is true to say that for me sanctity consists in being myself and for you sanctity consists in being yourself and that, in the last analysis, your sanctity will never be mine and mine will never be yours, except in the communism of charity and grace. For me to be a saint means to be myself."**

**-Thomas Merton, OCSO**

### BE OPEN-MINDED

**I will be open-minded, friendly, and always learning.**

**Kinship: I will create and cultivate community through gratitude and communication.**

**Reflection: I will pause to reflect regularly and remain optimistic.**

**Magis: I will leave space for the greater good, for innovation and growth.**

### BE OF SERVICE

**I am created to be me, to be of service, and to be a light.**

**Cura Personalis: Teaching should be meaningful, but manageable work, for our students and for us.**

**Discernment: I will not get lost in endless tasks. I will be a problem solver, develop efficiencies, and create leaders.**

**Service Rooted in Justice and Love: I will seek to understand and challenge the root causes of injustice.**
