

## **AFMIX: Assuring the Future Mission and Identity of Xavier Cohort IX**

*How do I now think about working at Xavier as Jesuit, Catholic University in light of my AFMIX experience?*

In the beginning of the program, I did not know what Jesuit was. Although I admit I'm still not clear, my takeaway is that it's more a feeling of acceptance of others, inclusive of all religions and all-encompassing of the body, the mind and the soul.

I got to know people around campus that I otherwise may never have met. I enjoyed the discussions and hearing other points of view.

I appreciate the efforts and time invested by those who worked so hard to put it together. Thank you to Sheila, Doug, Joe, and the many special speakers, educators and guests.
