

Dress Code for Recitals and Performance Boards

Every performer should look dignified. The performance is about how well you perform and about the music you are performing. People see you the moment you enter the stage and what you look like should **not** be a distraction.

Women:

- Short skirts and plunging necklines are **inappropriate**.
- Skirts should be knee length and necklines reasonable.
- Dress pants are also acceptable.
- If you are wearing a knee-length skirt you should wear black stockings or tights.

Gentlemen:

- Suit or slacks and blazer/sport coat, reasonable dress shoes and appropriate socks.

Please consider your board appearance a performance and dress accordingly.

If you have questions concerning appropriate dress, please discuss these matters with your respective teachers.
