## TB (Tuberculosis) TEST VERIFICATION FORM

**FNP Students are also required to provide verification of absence of TB**

### STUDENT: COMPLETE THIS SECTION

I understand that in the first year of clinicals I must obtain and submit documentation of a negative two-step TB test (given/read and 1-3 weeks later given/read again). Annually thereafter I must obtain and submit proof of absence of tuberculosis. After year 1, the usual method of meeting this requirement is verification of a one-step negative tuberculin skin test (two-step in first clinical year and one-step annually thereafter) or a negative QuantiFERON TB Gold test.

If a student has had a positive TB test, chest X-ray results are required, followed annually by a completed symptom check form.

Uniform Policy

BSN and MSN MIDAS students must meet the requirements of the uniform policy while at clinical sites for practicum courses and at other times as specified by their clinical instructor.

REQUIRED UNIFORM:

- White warm-up cardigan (women) or jacket (men) with "Xavier University/School of Nursing" embroidery.
- Short sleeve navy scrub top worn over a short sleeve white crew neck T-shirt. "Xavier University/School of Nursing" will be embroidered on the upper chest of the scrub top. Due to infection control, no long sleeved T-shirts are permitted under the navy scrub top.
- Navy scrub pants.
- White or black professional or athletic shoes with closed toe and closed heel which do not allow substances to easily penetrate them. (Shoes with mesh and shoes with holes such as Crocs are examples of unacceptable shoes since substances can penetrate them.) Shoes should be clean and have clean shoelaces. Matching crew or higher socks are required.
- The Xavier student nurse identification badge should be visible at all times unless otherwise specified by the clinical instructor.
- Hair should be kept off the collar for both male and female students. Beards should be clipped and neat.
- No jewelry, other than name badge, watch and wedding band, should be worn with uniforms. Only one stud earring in each ear is permitted. No facial hardware (piercing of eyebrows, nose, etc.) is permitted. No visible tattoos. No class rings, diamond, dinner, or other rings may be worn. Bracelets, necklaces, bows, scarves, bright nail polish, long finger nails, and excessive perfume or cologne are totally unacceptable for professional dress.

Note: Clinical sites periodically make uniform policy changes. Every effort is made to incorporate these changes into the XU Nursing uniform policy so that students are compliant at all sites at which they may participate in practicum experiences.
