# OCCUPATIONAL THERAPY

## **STAND OUT OCCUPATIONAL THERAPISTS ARE ESSENTIAL WORKERS**

Occupational therapists are members of a health care team who not only care for people, groups and populations, they give them what they need most: the ability to participate in their own lives and communities. As an occupational therapy student, you'll graduate with an entry-level doctorate degree (OTD), ready to make a difference in the lives of others.

### **COMMUNITY LEARNING OPPORTUNITIES**

Cincinnati is perfect for hands-on practice through internships in hospitals, rehabilitation sites, educational settings, mental health facilities, skilled nursing homes and community-based settings.

### **LABS AND FACILITIES**

Our on-site, state-of-the-art clinical, daily living, and technology labs allow for assessment, intervention and research.

### **INTERNATIONAL EXPERIENCE**

Students have the opportunity to complete an international Level I fieldwork experience and gain skills to last a lifetime.

### **NEXT STEPS**

Earn a bachelor's degree in a major of your choice, embed required pre-requisite courses and apply to join our OTD program that has a stellar passage rate on the national certification exam.

Candidacy Status for the Doctor of Occupational Therapy (OTD) was granted by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6716 Executive Blvd., Suite 200, North Bethesda Md., 20852.
