Employment Experience

Capstone Coordinator and Teaching Professor

Xavier University August 8, 2021- Present
Capstone Coordinator and .5 FT teaching professor. Development, implementation, and administration of the Doctoral Capstone experience placements and completion of all capstone requirements, including maintaining and storing related agreements, paperwork, documentation of expertise for mentors. Collaborates with the Capstone Faculty Mentor and student to ensure that the experience is consistent with the values and curricular objectives of the OTD program. Evaluates the student's performance based on the execution of the Learning Plan, the level of in-depth synthesis of knowledge demonstrated by the student during project dissemination, and the quality of Doctoral Capstone Project work submitted and disseminated at the conclusion of the Doctoral Capstone.

Adjunct Faculty

January 2010- August 2020

Xavier University

Instructor for the MOCT 503 Life Participation II (11 yrs.), HOCS 321 Analysis of Occupational Performance (2 yrs.), and OTD 500 Foundations and Application of Human Sciences (Summer 2021) courses at the Department of Occupational Therapy at Xavier University. Course content: legislation, advocacy, assistive technology used to facilitate independence at home, work, and school; activity analysis and implementation of occupational therapy practice framework; neuroanatomy. Conducted all aspects of course development including course mapping, learning objectives, assignments and assessments. Assisted in the development of an innovative new home modification program in collaboration with community agencies to promote coordinated care for residents in Hamilton County living at home called the Community Housing Accessibility Alliance. Leveraged community partnerships to initiated home evaluation assignment where students participate in home evaluations in the community and use a telehealth platform. Created new remote learning course for new OTD program.

Independent Living Specialist

July 2007- August 2020

Rebuild Independence LLC

Owner of an accessibility consultation business helping elder and persons with disabilities continue to live in the community. Services include: assessment of needs; assistive technology selection, acquisition and training; case management; construction management; and identification and access to community resources to enable participation in home and community activities. Conducted continuing education courses on topics of home modifications, fall prevention, universal design, gerontechnology, and aging in place. Consulted with the Council on Aging to evaluate their home modification program and to conduct subsequent staff training. Participated in the grant application for the Carol M. Peterson grant from 2013-2017 for the Ohio valley Chapter of the National MS Society. Coordinated grant implementation for home modifications and critical home repairs.

Adjunct Faculty

Oct 2011- May 2012

Cincinnati State Technical and Community College

Developed and taught the Home Modification and Assistive Technology course at Cincinnati State Technical and Community College. Content included assistive technology used to facilitate independence at home, leisure, and community.

Occupational Therapist PRN

August 2007- 2009

Episcopal Retirement Homes- Cincinnati, OH

Performed evaluation and treatment of adults and older persons for short term and long-term care in a skilled nursing facility. Participated in weekly treatment planning meetings. Develop and implemented staff and resident in-services and educational presentations. Supervised certified occupational therapists.

Occupational Therapist PRN

Sept 2003- January 2004

Bayshore Point, Tampa, FL

Performed evaluation and treatment of adults and older persons for short term and long-term care in a skilled nursing facility. Participated in weekly treatment planning meetings.

Occupational Therapist

July 2003- Sept 2003

Manor Care of Carrollwood, Tampa, FL

Performed evaluation and treatment of adults and older persons for short term and long-term care. Supervised occupational therapy assistants. Participated in weekly treatment planning meetings and conducted many staff in-services related to patient care.

Occupational Therapist Team Leader

October 2002- December 2002

Rehab Therapy Works, St Petersburg, FL

Supervised rehabilitation team and coordinated all therapy services. Facilitated compliance with PPS guidelines. Established relationships with nursing, dietary, and social services departments to improve care. Facility closed in December of 2002.

Occupational Therapist and Rehabilitation Director

March 2001- October 2002

The Laurels Skilled Nursing & Rehab Center, St Petersburg, FL

Rehabilitation Director for Swanholm Nursing Center while contracted by the Laurels Skilled Nursing and Rehabilitation Center. Conducted occupational therapy evaluation and treatment of adults and older persons for short term and long-term care. Increased OT caseload by 300%. Initiated staff education to improve quality of care; compliance with state and federal regulations; and increase awareness of OT services. Facility closed Oct. 2002.

Occupational Therapist Level I & II

Jan. 1999- Dec. 2000

Yale New Haven Hospital, New Haven, CT

Provided evaluation and treatment of adults in inpatient and outpatient psychiatric settings, including dual diagnosis. Participated in reengineering of Yale New Haven Psychiatric Hospital. Supervised students, certified occupational therapy assistants, and occupational therapists. Conducted hospital wide documentation training.

Level II Fieldwork

June 1998-Dec 1998

Yale New Haven Hospital

Evaluated and treated adults and older adults on acute inpatient units and cardiac ICU.

Massachusetts General Hospital Psychiatry

Conducted evaluations and treatment for patients on an inpatient locked ward.

Administered standardized assessments, lead groups, and assisted with transition to outpatient services such as vocational rehabilitation. Provided OT services in a club house model outpatient setting, including prevocational training, leading groups, and working with local vocational rehabilitation programs.

Neuroscience Occupational Therapy Fellow

Sept 1997-May 1998

Springfield College

Responsible for Instructing a Neurology Review Class two days per week for Physical Therapy and Occupational Therapy Students. Provided detailed lectures incorporating information presented in class. Facilitated student learning using various media. Provided one on one tutoring to students as needed.

Research Occupational Therapy Fellow

January 1998- May 1998

Springfield College

Assisted Occupational Therapy Professor in completing a research project. Gathered information and obtained permission to use information to be published.

Occupational Therapy Aide

1995-1997

Lewis Bay Convalescent Home

Provided support services to occupational therapists including assisting with treatment sessions, splinting, patient transportation, and coordination with nursing staff in a skilled nursing and rehabilitation center specializing in traumatic brain injuries.

Behavioral Technician

1994-1995

Lewis Bay Convalescent Home

Monitored clients identified with aggressive and sexually inappropriate behaviors in the Center for Adaptive Learning within a skilled nursing and rehabilitation center. Implemented behavioral programs.

Mental Health Counselor

1992-1994

FCP Inc.

Assisted clients with chronic mental illnesses in transitioning from long-term psychiatric hospitals settings to a group home. Interventions focused on improving participation in daily activities such as personal hygiene, home management, medication management, cooking, and leisure activities. Lead groups including coping skills, life skills, leisure skills, and group process.

Nursing Aide

1998-1992

Lewis Bay Convalescent Home

Provided patient care to adults and older adults with traumatic brain injuries and neuromuscular conditions.

Volunteer Work

Home and Community Health Special Interest Section Chair

July 2015- 2018

American Occupational Therapy Association

Provide information and resources to AOTA members working in home and community settings. Participate in monthly SIS Council meetings reorganizing and implementing new structure of the Special Interest Sections. Coordinate committee members efforts to be responsive to member questions and concerns. Initiated monthly PEP Talks (Putting Evidence into Practice) to assist practitioners in developing the skills and resources needed to engage in evidence-based practice.

Health Advisory Committee Member

July 2009-2017

National Multiple Sclerosis Society Ohio Valley Chapter:

Advise the Ohio Valley Chapter on programing needs for persons with MS. Participate in fundraising for the association. Conduct educations programs and participate in panel discussions sponsored by the chapter locally and nationally.

Home Modification Network Coordinator

July 2012- June 2015

American Occupational Therapy Association

Appointed the American Occupational Therapy Association Home Modification Network Coordinator. Facilitating coordination between occupational therapy practitioners nationally including communication, training, and identification of member needs. Charged with setting strategic goals for promotion of occupational therapists within the specialized area of practice of home modifications.

Board Member and Program Committee Chair

September 2010- December 2015

Parkinson's Wellness Chapter

Participated in monthly board and program committee meetings to address the needs of persons with Parkinson's disease and their care partners. Coordinated monthly educations sessions on various topics including nutrition, sleep, driving, home safety, PD 101 and medications. Also grew the annual spring forum from 75 to over 250 participants in 3 years. The chapter dissolved in December of 2015.

Coalition Coordinator

December 2009- May 2012

Cincinnati Housing Accessibility Alliance

Coalition consisting of the Council on Aging, Xavier University Occupational Therapy Department, Department of Developmental Disability Services, LADD, People Working Cooperatively, and Evanston Community Counsel. The mission of the organization is to educate the community about accessibility options available and how to use private and state/grant funding to promote Aging in Place.

Project Manager

2009-2010

COTF/ Hearth Home Accessibility Project

Initiated the strategic partnership between Hearth and COTF in order to remodel a home for a family with accessibility needs. Coordinated project from conception to implementation.

Program Committee Member

2010-2012

Ohio Occupational Therapy Association Southwestern District

Committee member assisting with the planning and implementing educations sessions.

A Matter of Balance Program Trainer

2008- 2014

A Matter of Balance

Trained three local facilities in the A Matter of Balance Program. Provide ongoing support to AMOB leaders as the programs expand.

Board Member

2008- 2012

Hearth: Professionals for Independent Living

Founding board member. Non-profit organization educating the community about community resources and services available to keep people living in their homes as independently as possible. Organization dissolved in 2012.

Committee Member

2008- 2014

Hamilton County Fall Prevention Task Force

Task force initiated by the Department of Public Health to educate the community and service providers about evidence-based fall prevention techniques.
