

Quick Tips:

Registering for Classes using the Mobile App

1. Open the Xavier Mobile App
2. Tap on the Registration button

3. Log in with your Xavier username and password.
4. Tap the 'Add' button. If you are already registered in any courses they will be displayed here.

5. Tap on 'Select Term' and then tap on the appropriate term.

The screenshot shows the 'Registration' screen of an app. At the top, there's a blue header with a back arrow, 'Home', and 'Registration'. Below the header are three buttons: 'Back', 'Search', and 'Search'. A list of options is visible: '+ Search All Campuses', '- Select Term', '201509 - Fall Semester 2015', and '201505 - Summer Semester 2015'. Below this is a '+ Select Subject' button. Further down are input fields for 'CRN:', 'Course No:', and 'Title:'. At the bottom, there's a 'Time:' section with 'Start' and 'End' buttons, and a row of day buttons: 'Sun', 'Mon', 'Tue', 'Wed', 'Thu', 'Fri', 'Sat'.

Select the term

6. Enter the CRN. Tap the 'Search' button.

This screenshot shows the same 'Registration' screen as before, but with the 'CRN:' field now containing the number '90643'. The 'Course No:' and 'Title:' fields are still empty. The 'Time:' section and day buttons remain at the bottom. A new 'Search' button has appeared at the very bottom of the screen, next to a 'Clear' button.

Enter the CRN to search for the course you want to add

7. Tap the 'Add' button under the course details.
