XAVIER UNIVERSITY
Meal Plan Policy

Effective: March 6, 2018
Last Updated: March 2, 2018
Responsible University Office: Office of Auxiliary Services-ConneX
Responsible Executive: Vice President, Financial Administration and Chief Business Officer

Scope: Faculty, Staff and Students

A. REASON FOR POLICY
This policy clarifies the assignment of student meal plans and clarifies the University’s desire to maintain residential and commuter meal plans. Through the offering of these meal plans Xavier University can help ensure that the dining and dietary needs of the plan holder are met.

B. POLICY
A student must be actively registered for the current term that the meal plan is to be purchased and used.

All students living in the residence halls (Fenwick Place, Brockman Hall, Buenger Hall, Husman Hall, or Kuhlman Hall) are required to select one of the residential meal plan options offered by the Office of Auxiliary Services-ConneX. If the resident student does not select a meal plan for the current academic term they will be assigned and required to pay for the Silver meal plan.

All other students are allowed to purchase any plan currently being offered by the Office of Auxiliary Services-ConneX. There is no requirement for any student not living in a residence hall to purchase a Meal Plan.

Meal Plan selections from the Fall term will automatically roll over to the Spring term, but plan selections will not roll over to the next academic year.

In order to use a meal plan and dining dollars at any Xavier dining outlets (e.g., Hoff Dining Center, Ryan’s Pub or any other retail dining outlets) a community member must present his or her ALL Card in order to verify the account is valid and active.

The ALL Card must be presented by each community member at each meal with no exceptions (including student leaders, student athletes, and members of student organizations). If a community member cannot present his or her ALL Card, the community member will not be permitted to enter the dining facility or order food until the ALL Card is presented. Simply giving one’s name and ALL Card number is not sufficient.
Consumption of any item owned by the dining facility without presenting an ALL Card or paying for a meal will be considered theft. Violation of this policy will subject the individual to Xavier’s Code of Conduct.
