SPORTSMANSHIP

Sportsmanship is vital to the success of each and every program we offer to the university community. In order to encourage proper conduct before, during and after a scheduled contest, the Intramural Sports Department has developed a rating system. The rating procedure is as follows:

Acceptable Rating (3)

The team exhibits respect and cooperation and sporting behavior towards all sport programs staff, teammates, and opponents. The team has no issues or minor disagreements with the judgement of the officials. Captain demonstrates control over spectators, teammates, and him/herself.

Average Rating (2)

The team exhibits some respect and cooperation towards all sports programs staff, teammates, and opponents. The team has several minor disagreements with the judgement of the officials. Captain demonstrates mild or little control over spectators, teammates, and him/herself. Teams receiving one unsportsmanlike penalty fall into this category as well.

Unacceptable Rating (1)

The team does not exhibit respect and cooperation with unsporting behavior towards any sport programs staff, teammates, and opponents. The team displays issues and disagreements with officials. Captain demonstrates no control over spectators, teammates, and him/herself. Teams receiving more than one unsportsmanlike penalty fall into this category as well.

If a team receives two unacceptable ratings in a season, the team will be removed from the league and have to meet with the Sports Programs Office. Teams may face additional suspension and sanctions for one unacceptable rating depending on the situation and severity of the incident.
