Buenger Hall houses first year and sophomore students. The floors are co-ed by wing. Suites are a collection of 2, 3, or 4 bedrooms that share a common area living room and one and a half bathrooms. Each room has a bed, a desk, a closet and chair per student.

Double rooms are two students sharing one bedroom. There is a Resident Assistant (RA) on each floor that is responsible for community development and mentoring the residents. The RA staff report to the Hall Director, a master-level professional staff member assigned to live and work with the students of their building.
