

Rising Sophomore Housing Room Selection Guidebook

Welcome to the Rising Sophomore Room Selection Guidebook! This means you have already completed the housing application for the academic year, and you are ready to select your own room!

NOTE: If you are in a roommate group with your friends, all members of the group will have the same randomly assigned room selection time. During the room selection time, any member of the group can go into the portal to select the room for the all members of the group. We recommend assign only one person from the group to select the room on behalf of everyone to avoid confusion.

Step 1: Log back to the MyHousing portal at <http://www.xavier.edu/myhousing>
