Rising Sophomore Selection Process Flow

" I want to live on campus!"

Do you currently?

Student should email Tim at griffint5@xavier.edu to gain application access.

After completing application, student is all set until selection time.

Student can apply now.

Does the student want to make a roommate group?

Student will receive email from My College Roomie with access info.

They will need to complete their application and their MCR questionnaire first.

Fantastic. Have those friends already applied AND set-up MCR?

Do they already know who they want to live with?

They will receive match suggestions after finishing their questionnaire.

What happens after they have done that?

Student can search for them and send them friend and then roommate requests.
