Why are you interested in serving in the role(s) of the office(s) sought? *

I want to be in a position that has real impact on the student community. I rely on financial aid to go to this school, so I know that every student on campus that receives financial aid deserves to be represented by someone who is both dependent on financial aid and ready to be their student advocate. Xavier has the potential to be a better school by the time I graduate in four years, and to do that we need proper leadership that supports students no matter what.
