**Qualifications: \***

Through my role as an intern in the Office of Student Involvement, I gained hands-on experience supporting campus events and student organizations, which taught me how to collaborate with both students and administrators. As a member of the 4PM Mass Committee, I've helped foster a welcoming, values-based community, emphasizing service and inclusion. My customer service experience at Chick-fil-A strengthened my communication, patience, and ability to stay calm under pressure, all critical skills for listening to and supporting fellow students. Serving as an Orientation Leader allowed me to guide new students through their transition to university life, helping me grow as a mentor and public speaker. These roles, along with leadership development through a retreat, have shaped me into a committed, approachable, and solutions-driven leader ready to serve our campus through student government.

Please list qualifications that will help you in the office for which you are running. Tickets, please submit your individual qualifications.

**Goals and/or Plans for Office \***

I'll launch a centralized Student Resource Hub to make campus support services easier to find and use. To support mental health, I'll create pop-up Wellbeing Corners during high-stress weeks with therapy dogs, snacks, and mindfulness activities. I'll organize monthly Xavier Connects events to link students with local leaders, nonprofits, and alumni. I'll introduce a Student Voice Tracker so students can submit ideas and see real-time updates on what's being done. Lastly, I'll pilot a Leadership Incubator to empower first-year and underrepresented students with mentorship and involvement opportunities.

Please list your top 5 goals and/or plans you wish to accomplish in office. Tickets, please submit have one candidate submit this.

**Why are you interested in serving in the role(s) of the office(s) sought? \***

I'm running for student government because I want to represent the students who often feel overlooked or unheard. I believe leadership means more than holding a title — it means listening with intention, showing up for others, and

using your position to create real change. My goal is to better the campus experience for every student, especially those who may not always feel seen in student spaces. I want to be the kind of leader who respects and empowers the people I serve — someone who leads with empathy, inclusion, and action. Xavier deserves a student government that not only hears your voice, but actively works to amplify it.
