

SGA Meeting Minutes | 2/16/26

Roll Call:

Open Forum

Accessibility concern raised: the accessibility door at the top of Cintas entrance is not working.

Ash Wednesday is upcoming.

Senators raised concerns regarding snow and ice conditions for commuters, including reports of students being told to come to campus after a snowstorm and safety issues such as a student spinning out while attempting to drive to school. Bus routes were also raised as a concern.

Update: SGA has been in contact with Physical Plant. This issue was noted as a multi-step process involving multiple people and departments.

Report of Administration (ROA): Jamie Baxter

Department Oversight

Student Advocacy

Counseling Services

Student Wellbeing Services

Health Services (TriHealth)

Key Updates and Data Shared

64% of students who entered Health Services reported having access to a counselor.

67.8% of students reported that over half the days they feel anxious, worried, or on edge.

Brave and Swag will be coming together to form “Swave,” intended to make counseling easier and more accessible to students.

A therapy dog is being brought in for students.

Health and Wellness worked with OSI to bring the Red Bike program.

New launch for access to an app similar to Brick and Opel, called Fluid Focus.

Students earn points for being focused and can use points to purchase wellness merchandise or donate to charity.

Opinion Entries

All committee members will share and input their projects, so all SGA understands what is currently in progress.
