

## SOCIAL WORK IN A LATIN AMERICAN CONTEXT

### Spring semester in Mexico

Study abroad on a semester program that was created for social work majors, to fit right into your spring semester junior year. Complete requirements for the major while also developing key cross-cultural and professional skills for your life and career.

### Why this program?

- Engage meaningfully with social work professionals, students, and other community members
- Complete requirements for your degree
- Spend the spring semester in beautiful Cuernavaca, Mexico
- Excursions to Mexico City, Puebla, Teotihuacan, Toluca, and more are included
- No Spanish language prerequisite\*  
*\*some knowledge of Spanish is required for students seeking practicum placements, see website for details*

### Marlanea H, Sp'18 said:

*"It was awesome to learn from other social work students and hear about how similar we are. It is meaningful to know that there are other social workers all over the world, making differences each day in people's lives. To experience the semester again, I would go back in a heartbeat! I learned more about myself in less than five months than I have in 21 years of living!"*
