

## STUDENT EMPLOYEE SPOTLIGHT

*Nora's advice to other Xavier students, "My advice or recommendations is to get involved as much as you can and give everything a chance with an open mind."*

### Say Hi to Nora Los!

Nora is a Junior, Primary Education major.

Nora has worked as an Extended Care Assistant for the Montessori Lab School for 3 years. She mentions that "In my position, I work with children and to keep a safe and welcoming environment for them. I work with students during work time, lunch, and outside play. I make sure they are engaged and following school rules."

"In my position, I've developed strong skills in child supervision, behavior management, and activity planning. I've also gained valuable experience in communicating with both children and parents, working as part of a team, and creating a safe, supportive environment where kids can learn and grow," says Nora.

Proud accomplishments she mentions, "I am really proud of the connections I've made with the students and how I am able to work with them to succeed."

Congratulations Nora for being nominated for the 2025 Student Employee of the Year!
