students,  
"Take  
things slow,  
things will  
all work  
out!"*

### Say Hello to Marlon Sexton!

Marlon is a current Junior, Computer Science major.

Marlon has worked for the last 6 months as an Extended Care Assistant for the Montessori Lab School. In this role, he watched over the children and kept them safe as well as playing games with them and helping to solve any issues that may occur during the time he's there. Marlon mentioned that the skills he developed the most was, "Patience as well as quick-thinking, problem-solving skills."

His most proud accomplishment was, "Impacting these children's childhood experience."

Congratulations Marlon for being nominated for the 2025 Student Employee of the Year!
