Student Organization Association Budget Requests for 2014-2015

It is time to start thinking for the 2014-2015 academic year! All budget requests are due on Friday, March 21 by 5pm (no extensions will be accepted).

All student organization funding comes from the Student Activity Fee, paid by every Xavier undergraduate student to fund student-led activities that enrich campus life. The Student Organization Association, specifically the Student Organization Committee, is charged with the responsibility of making budget allocation decisions. In order for your organization to benefit from the Student Organization Funding, you need to provide funding requests that demonstrate the value of your organization to students. The Student Organization Allocation Committee will review your budget request and provide you with a reasonable amount of funds for your organization.

If you choose to apply for funding, here is what you need to do to complete your Student Organization Budget Request:

2. If you are requesting over $5,000, you will receive an email from a Student Government Association's Student Organization Committee member requesting a brief meeting with your organization to discuss your application in more detail. If you have requested under $5,000, feel free to send an email to the SOA members of your organization (2014-2015 budget).

3. If you have any questions regarding the Student Organization Budget Request form or documents or the funding process, contact Jake Halde, the SGA Student Organization Committee Chair at haldej@xavier.edu.

Student Organization Resource Fund

The Student Organization Resource Fund (SORF) is a supplementary fund provided to Clubs, University-affiliated Organizations (UFOs), and local student-led funding from the Student Activity Fee. This funding is provided to student organizations with event, tri-folds, or one-time procurement of permanent equipment. Although this is provided to offer the costs associated with the organization's needs, it is not to cover expenses. The fund is a Salute to our through the SGA Budget Board which is comprised of four student senators, four appointed students, one full-time faculty member, one full-time staff member, and the President for the SGA. The SGA will make the final decision on how your organization will receive the funds.

Funding eligibility is determined based on the assigned classification of each organization. Requirements and prioritized funding areas will be listed on the fund page under Student Organization Resource Fund. The list of student organizations that apply will be made public.
