

Outdoor Posting Policy (Signs, Flags)

The following policy describes the parameters for posting signs, flags, and other fixed exhibits such as ribbons or banners tied to trees or lamp posts on Xavier University grounds. The policy exists to maintain the beauty and integrity of the Xavier University campus by minimizing damage to the University grounds and sprinkler system and ensuring that campus postings align with the University mission. All other applicable Xavier University policies apply.

Reservation Procedure

The Office of Student Involvement manages requests for outdoor sign and flag posting. Xavier University offices, departments, and recognized student organizations in good standing with the University may request to display sign or flag postings on a first come, first served basis using the online reservation form. Postings must identify the sponsoring organization and include contact information. External groups are not permitted to request a sign or flag posting. Postings without an approved reservation will not be allowed and immediately removed from the campus grounds. Larger promotions / campaigns may be limited to one posting per outdoor zone.

Purpose of Posting

Postings may be used to advertise a campus program or event, recruit membership for a campus organization, support a student election campaign, or raise awareness about a cause or issue.

The content and intent of the posting must abide by the terms and conditions of the Xavier University Student Handbook. Messages should identify the sponsoring organization and may not contain references, either direct or indirect, to the use of alcohol or illegal substances; profanity or vulgar or sexually suggestive language or images; racial, ethnic, gender or religious insensitivity; or anything that violates the Xavier University Student Handbook. The Office of Student Involvement reserves the right to remove postings at any time without notice and is not responsible for any messaging that is damaged or defaced.

Types of Postings
