## Report of the Administration

- *Jean Griffin*
- Summary of her role as Dean of Students
- VP of Student Affairs Role
  - Will be in the senior leadership
  - Student experience and advocacy for students will be considered every time an important decision will be made
- **Q:** Details about the renovations of The Store
  - Repairs caused by a broken pipe over break
  - \$50,000 from Crosstown Foodout
    - This will go to stylistic renovations
  - Satellite stores carry less items, probably no perishables
  - They do have health and beauty products
    - This is a relatively new addition
- **Q:** Most common Title 9 complaint
  - Disclaimer: Kate Lawson is the chief officer, she would know better
  - Increased reporting in sex discrimination, this doesn't mean that sex discrimination is increasing just the people who are reporting has increased
    - Mostly student-to-student, interpersonal interactions
  - Title 9 covers incidents that are not caused by someone who attends or works at Xavier
- **Q:** How will football change Xavier?
  - Changes in NCAA regulations - may be seeing how that shakes out before moving forward
  - Not much information
- **Q:** What will the process of moving forward with the Strategic Plan look like?
  - Forum to talk about the roll out of the StratPlan in February
    - Developing a Transformitive Student Experience
- Listening sessions for the potential college of osteopathic medicine
- **Q:** Do you think the improvement of the first-year experience will help retention?
  - Everything in the plan is meant to increase retention rate, and improve the student experience overall
- **Q:** A little more information about transfer students - they don't feel as supported/invited and orientation is lacking
  - Want to make it easier for transfer students to come here
    - Credits won't transfer to Xavier so a lot of people wouldn't come to Xavier because of that
  - Need to recognize that their needs may be different than a typical transfer students
- **Q:** Has there been talk about new dorms? Where will we put all these people that the university hopes to bring in through football and college of medicine?
  - That conversation is not happening right now, but it probably will be
  - If we bring in men to play football, we need to add women's sports because of Title 9

- College of medicine housing may look different than normal on-campus housing

### **Opinion Entries**

- Senator Schwarz: can we make a shared student drive that gives students access to the photos taken during events that never end up anywhere?
  - Privacy issues? - but Xavier will upload the photo onto social media without permission
  - QR codes to collect photo and if you don't then use it they will expire
  - Kim Costanza in marketing is a good contact
- Senator Jebesen: interest in having a monitor in the back of the SGA office?
  - Old SGA groups took it out
  - How about a TV?
    - The walls are not load bearing and they cannot hold a TV
    - It's been explored but that there would be construction costs
- Senator Apraku: CampusGroups is not being used as it should be, people are selling their tickets for inflated prices. Is there a way to use a special code per phone to prevent "scalping"?
