First Year Move-In

Move-In Day is almost here! On Thursday, August 21st, first year move-in will begin at 7:30am. Details about when and where your student should arrive on that day will be available on the Road to Xavier Website or in the link below. If you are interested in moving in early on Wednesday August 20th, students should have registered on the Road to Xavier website beginning in early July. The best part about move-in? You don’t have to lift a finger! Move Crew will carry all of your student’s belongings to their new home. For more details about arrival times, directions, and labeling boxes, visit the Resident Move-In site today!

Upperclass Move-In

We hope you are enjoying the last few days of summer with your student. Here are a few things to know as you help your student plan for their return:

Returning on-campus students will be able to move in to their assigned housing on Saturday, August 23rd or Sunday, August 24th. We will open at 10am both days and will close at midnight. More specific information about check-in locations has been provided via Xavier email directly to students.

Most returning students should know their housing assignment and roommates. However, if there is a need to reconfirm the information all students can do so by visiting the Xavier University Student Hub.

For those students moving into apartments (Village, 1019 Dana, University Apartments, Manor House, the Commons), it is recommended to discuss items that you need for your apartment such as cleaning supplies, pots/pans, toilet paper, etc with roommate(s). Students in apartments are responsible for cleaning their own apartment and providing toilet paper.

If for some reason your student has already signed a Housing Agreement and decided NOT to return to Xavier on-campus housing, they must complete the Request for Release form located on the Xavier University/Residence Life website.

Join The PFAB!

Interested in becoming a member of Xavier’s Parent/Family Advisory Board?

To receive information about joining PFAB, please contact Dr. Luther Smith in the Office of Student Success and Parent/Family Outreach at (513) 745-3036 or smith@xavier.edu.

Check our website for more contacts and information.
Manresa and More!

The Office of Student Involvement is your student’s connection to student organizations and campus events. We believe that getting involved and participating in the life of the University encourages all students to DISCOVER their passions, DEVELOP their strengths, and LEAD a purposeful life. As such, we facilitate learning and social integration by providing students with experiences in leadership development, student organizations, campus events, and orientation programming.

Major fall events include Manresa New Student Orientation, Week of Welcome (WoW), and Family Weekend. Manresa is our 4-day orientation for traditional aged first year students, which takes place August 21-24. For students transferring to Xavier, we also offer a 1-day orientation program on Sunday, August 24. Students will receive detailed information about orientation via the Road to Xavier.

Following orientation, we coordinate the Week of Welcome. WoW is a week of FREE events welcoming first year and transfer students to campus and welcoming back returning students. WoW runs Monday, August 25-Monday, September 1. Schedule information for Manresa, Transfer Orientation, and WoW is available at www.xavier.edu/involvement

For additional information about the Office of Student Involvement, follow us on Facebook or Twitter!

Program Spotlight: Student Success Coaching

Every Xavier student is assigned a Student Success coach. Coaches meet with students to discuss any problem or need they may be experiencing during their time here. Whether it is financial strains, social adjustment, or academic advising or support, the success coaches in the Office of Student Success and Parent/Family Outreach are ready and willing to create a plan that includes connecting students to campus resources in order to ensure every student has the best experience while at Xavier.
