

**ACKNOWLEDGMENT REGARDING PROTECTION OF PERSONAL DATA
AND REQUEST OF CONSENT FOR PROCESSING**

Pursuant to the provisions of Regulation (EU) 2016/679 (“Regulation on the protection of natural persons with regard to the processing of personal data and on the free movement of such data”, hereinafter “the EU GDPR”), we hereby inform you that Xavier University (hereinafter referred to as “XAVIER”), in its capacity as Data Controller, is required to provide you with the following information:

1. All personal data you have provided to XAVIER or any third party in order to allow the planning and organization of the XAVIER study programs and execution of the academic services to be provided to you, will be processed and handled by XAVIER in accordance with its policies and with the EU GDPR, and with the principles of fairness, lawfulness, transparency, purpose limitation, accuracy, storage limitation, integrity and confidentiality and accountability, as well as the utmost protection of your privacy. The only sensitive data, as defined by the EU GDDPR, processed by XAVIER will be data regarding your disclosed health conditions (such as diseases, allergies, dietary restrictions) or judicial data.

2. All data shall be processed exclusively for XAVIER institutional purposes, connected or related to the activities carried out by XAVIER, such as study programs in the EU, the accomplishment of bureaucratic practices for your entry in the EU, the performance of the contractual obligations of XAVIER in connection with your study abroad stay with XAVIER. In particular the data supplied or collected will be processed for the following purposes:

- a) to fulfill the obligations established by any applicable law, including the regulations or the European Union Law;
- b) to execute the contractual obligations with reference to your enrolment with the XAVIER study program (such as but not limited to courses attendance certification, students health and safety protection);
- c) to take the necessary actions in response to information provided by public authorities or by hospitals should an accident, injury or other incident occur.

Sensitive data regarding your health conditions will only be processed for the purpose of protecting your safety or of fulfilling the obligations established by law, by regulations or by the European Union Law. Sensitive data regarding judicial measures which may have been provided to XAVIER by public bodies will be processed only for purposes relating to a health or safety emergency and complying with any applicable mandatory provision of European Union law.

3. Submittal and processing of personal data is necessary in order to achieve the purposes above specified.

4. Any refusal will make it impossible to carry out the activities and the correct administrative and didactic management of students programs necessary to accomplish the contractual obligations of XAVIER in connection with your study abroad stay, as well as the obligations imposed by law.

5. Data processing will take place, according to the aforementioned criteria, only within XAVIER premises. The data will be handled only by the persons who are in charge and responsible of the related activities and by other persons working on the same areas as specified in internal communications; sensitive data will be handled only within those offices of XAVIER premises which are exclusively dedicated to XAVIER study abroad programs, for the purposes above specified, by persons officially appointed to this task. Your

personal data you have provided, with the exception of sensitive data, may be transferred overseas pursuant to the terms, conditions and limits specified by Title VII of Part I of Legislative Decree n. 196/2003.

7. In particular, your data may be communicated, in compliance with the rules above indicated, to public or private entities as may be necessary in order to fulfill obligations set forth by laws, regulations or EU laws. Sensitive data may be communicated to public bodies and authorities (such as local health centers or public hospitals, public safety authorities, Police offices, courts, magistrates and the like) and to private entities (such as private hospitals and clinics, security supervisors, insurance companies) only for purposes relating to health or safety emergencies or for the purposes of fulfilling obligations set forth by laws, regulations and EU laws.
