

# Where can I access information related to COVID-19 for my country of study?

1) Access the U.S. Department of State's website at [travel.state.gov](https://travel.state.gov)

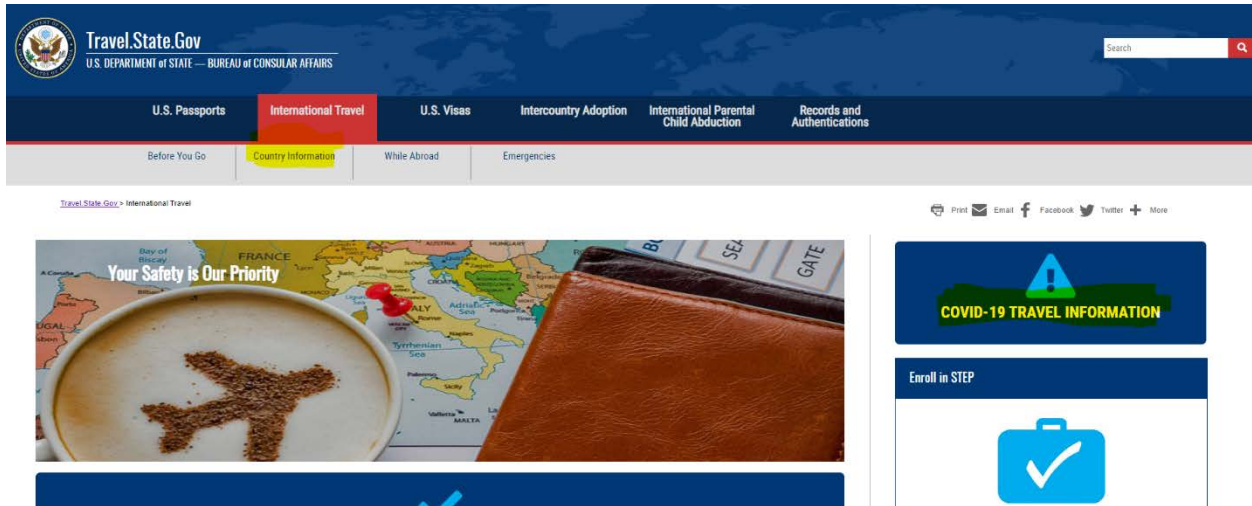

2) You will be taken to the following webpage:

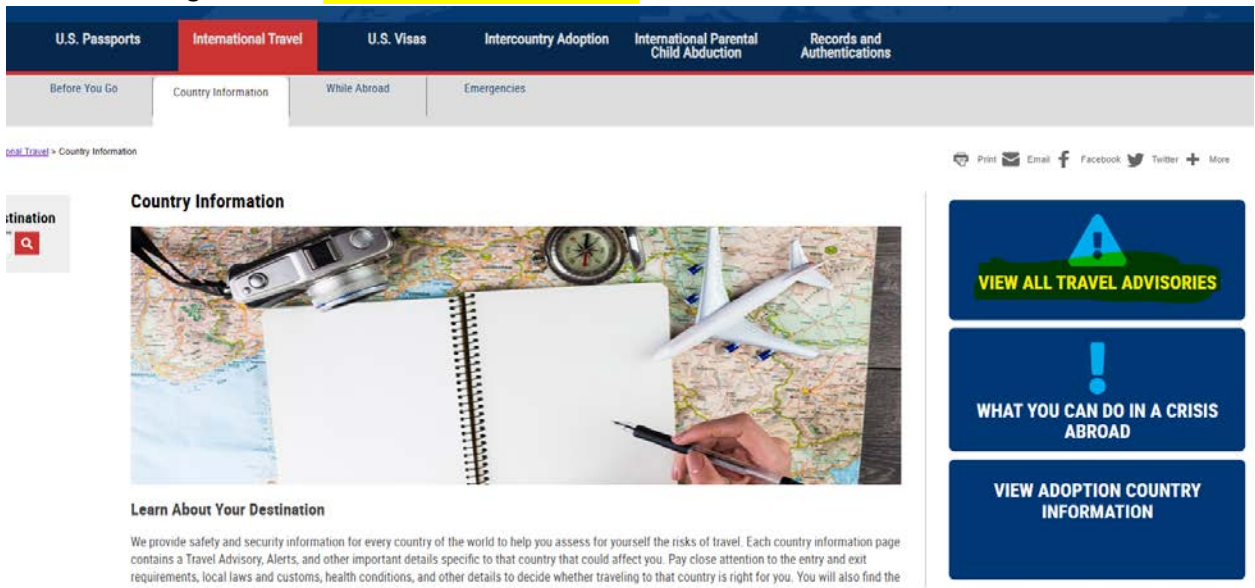

3) Click on **International Travel** in the deep blue bar

- 4) You will be taken to this page next:  
Click on **Country Information** or **COVID-19 Travel Information**

- 5) If you click on **Country Information**, it will provide you with additional information about traveling to your host destination beyond just the COVID-19 info. To navigate to the country's advisory page, do the following – click on **View All Travel Advisories**.

OR: If you click on **COVID-19 Travel Information**, please skip to page 4, item 9.

6) You will be taken to a list of all the countries and also provide a search box to quickly navigate to your destination.

### Spain Travel Advisory

Travel Advisory April 19, 2022 Spain - Level 2: Exercise Increased Caution T U

Exercise increased caution in Spain due to **terrorism** and **civil unrest**.

**Country Summary:** Terrorist groups continue plotting possible attacks in Spain. Terrorists may attack with little or no warning, targeting tourist locations, transportation hubs, markets/shopping malls, local government facilities, hotels, clubs, restaurants, places of worship, parks, major sporting and cultural events, educational institutions, airports, and other public areas.

Demonstrations are common. They may take place in response to political or economic issues, on politically significant holidays, and during international events.

Read the [country information page](#) for additional information on travel in Spain.

The Centers for Disease Control and Prevention (CDC) has determined Spain has a high level of COVID-19. Visit the CDC page for the latest [Travel Health Information](#) related to your travel.

If you decide to travel to Spain:

- Read the [Department of State's COVID-19 page](#) before you plan any international travel, and read the [U.S. Embassy's web page](#) for country-specific COVID-19 information.
- Avoid demonstrations and crowds.
- Be aware of your surroundings when traveling to tourist locations and crowded public venues.
- Follow the instructions of local authorities.
- Monitor local media for breaking events and adjust your plans based on new information.
- Enroll in the [Smart Traveler Enrollment Program \(STEP\)](#) to receive Alerts and make it easier to locate you in an emergency.
- Follow the Department of State on [Facebook](#) and [Twitter](#).
- Review the [Country Security Report](#) for Spain.
- Prepare a contingency plan for emergency situations. Review the [Traveler's Checklist](#).

### Travel Advisory Levels

- Exercise normal precautions
- Exercise increased caution
- Reconsider travel
- Do not travel

### Information for Vaccinated Travelers

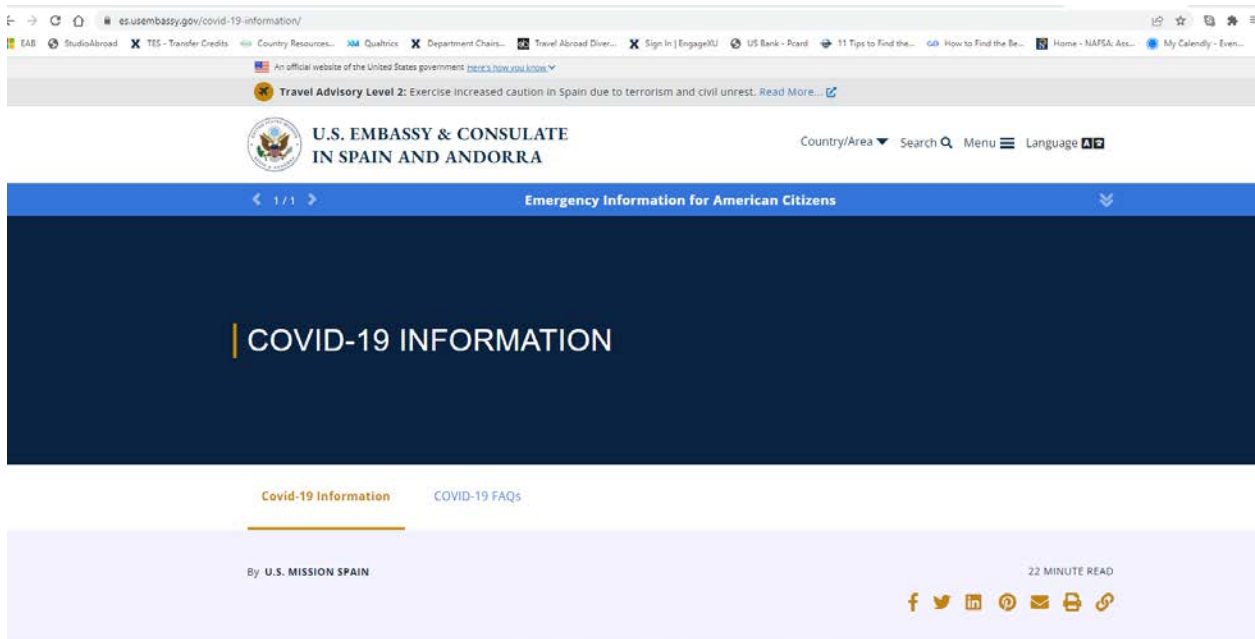

The CDC's latest guidance on international travel for vaccinated people can be found [here](#).
