

Questions to ask a study abroad organization

Do you have summer, semester
options, both and/or other?

Do you have any programs that are
great for my major?

What types of courses are offered in
this country / program location?

What are my options for housing?

What is unique about your program
over other programs in this country?

Do you have scholarships available?

How do I apply?

When do I need to apply?

Are there any specific requirements
I must meet to be eligible?

Do you have internships or
opportunities to volunteer?

Why should I study abroad with
your organization?

How will this program help me with
my future plans?
