On March 24, 2022 at 12:50, students from multiple disciplines will gather for an interprofessional teaming symposium to develop a care plan for “Helen”. Students will learn about manifestations of dementia and strategies implemented from varied professional disciplines to improve the quality of life for persons with dementia.

**Prior to the symposium** on March 24th, go to [www.xavier.edu/teaming/student-information](http://www.xavier.edu/teaming/student-information) to prepare:

- Read the discipline descriptions and the common reading on working in teams
- Review the case and investigate appropriate service/treatments for Helen from your professional point of view.
- Prepare to share ideas from your discipline with others on your team using this the Individual Discipline Preparation form.

The afternoon schedule on March 24th is:

**Symposium: 12:50 – 1:00 Check-in at the HUB 1723 Cleanay Ave. 45207, 4th floor conference room**

1:00 – 1:05  Welcome!
1:05 – 2:50  **Speakers:** Cultural Competence in Dementia Care
             Improving Care for Racially Diverse Clients with Dementia
3:00 – 3:40  **Team Planning** (work group sessions): Meet with your assigned team. You will represent your profession in addressing the care of the individual described in the case study document. Students are intentionally assigned to specific small groups to balance discipline representation.
3:40 – 4:10  **Large group discussion:** Care planning and interventions, managing care interprofessionally
4:10 – 4:25  **Team Huddles:** Assess team strategies and effectiveness of your plan for Helen
4:25 – 5:00  **Large group sharing:** Participation by ALL: Share key points, reflection, and wrap-up. Complete post-surveys. Thanks to all!

All Students are asked to stay and contribute throughout the entire session!

This is a great opportunity to meet peers from other disciplines, expand your knowledge and skills!

We are grateful to **College of Professional Sciences** for their financial support and **MSJ PT Program**.

Faculty planning committee members: Joan Tunningley (coordinator), Edmond Hooker, Reneé Zuchero, Jaylene Schaefer, Brenda Wiles, Ashley Varol, and Victor Ronis-Tobin.
