In honor of
2019 Global Hope Heroes

Italian Carabinieri Department for Protection of Cultural Heritage
The world’s leading specialist police force in combating illicit trade of cultural property and protection of cultural heritage in disaster/conflict zones.

Waleed El-Ansary
A leading voice for tolerance and moderation, whose groundbreaking concept of the "need to know the religion of the Other" is challenging age-old practices in religious schools.

Adama Dieng
The Senegalese jurist, human rights defender and UN Under-Secretary General is leading the struggle to mobilize the world against hate speech.

Leah Pisar
Global campaigner with Project Aladdin to build bridges across cultures, reject bigotry, and use the lessons of History to promote living together in peace and diversity.

Bushra Qadeem Hyder
Schoolteacher-turned-peace activist, this brave woman from Pakistan has become a trailblazer in using education to turn young people away from extremism and violence.

Enver Yucel
A self-made educational entrepreneur who has made global citizenship and culture of peace education the credo of his universities and schools around the world.

Thursday, September 26, 2019
