

XAVIER FACTS

Founded in 1831, Xavier University is a Jesuit Catholic university in Cincinnati, Ohio. It's the sixth-oldest Catholic university in the nation and one of 28 Jesuit colleges and universities nationwide. Xavier's unique core curriculum and liberal arts education prepare students for future success in a rapidly evolving work environment. WHAT MAKES XAVIER A GREAT CHOICE...

- Xavier's unique First-Year Experience program helps students transition to college life and explore who they want to be and what good they want to do in the world.
- Our professors aren't just passionate about the subjects they teach. They also work with students to help them create a solid plan for their success.
- Through programs like the First-Year Seminar, peer mentoring and Living-Learning Communities, we build intentional support networks for students.
- We offer scholarships for academics, artistic talent, community service and more.

ABOUT OUR STUDENTS

RETENTION

Our 84-percent retention rate for first-year students is among the top rankings of 145 schools in the Midwest.

PROFESSIONAL OUTCOMES

- 86 percent of Xavier's pre-medical graduates have been accepted into professional schools, compared to 45 percent nationally.
- Over the past five years, 63 percent of Xavier's pre-dental graduates have been accepted to dental schools, compared to 40 percent nationally.
- From 2012 through 2014, 100 percent of Occupational Therapy graduates have passed the national certification exam required to practice professionally.

ACADEMIC SUPPORT

In addition to the Career Development Office programs, professional mentors guide students with one-on-one advice, professional coaching and networking opportunities through graduation.
