

Aarti Singla Bio and Headshot

Dr. Singla is passionate about helping people regain their active lifestyles. She specializes in providing comprehensive non-surgical care for spine-related issues, joint pain and a wide variety of pain syndromes.

She serves as the CEO of West Chester Surgical Suites. She is dual Board-certified in Physical Medicine & Rehabilitation, Pain Medicine, and Independent Medical Examinations and is part of the Beacon Orthopaedics spine team. Dr. Singla embraces a comprehensive approach to patient care, customizing each treatment plan to her patients' specific needs. Her practice is mainly referral generated from primary care providers, specialists, and patients. At her disposal is a wide variety of options, including interventional pain procedures, regenerative treatments, medications, therapy, bracing, and patient education.

Dr. Singla grew up in Cincinnati. She attended an accelerated program for undergraduate and medical school at Northeastern Ohio Medical University and completed her residency in Physical Medicine & Rehabilitation at Johns Hopkins Hospital in Baltimore. Dr. Singla further advanced her training and education by completing a fellowship in Pain Management at the University of Kentucky. Previously, she worked for a private practice orthopaedic group in St. Louis and Cincinnati, and served as Medical Director of an inpatient rehabilitation unit prior to joining Beacon Orthopaedics & Sports Medicine.
